

Tool Box - 5 Tray 525mm (22")

The classic cantilevered 5 tray bright red tool box. Robust steel construction with a durable painted finish. There is a large base storage area and 4 cantilevered trays that open out for full tool access. The base compartment has room to fit larger tools and the 4 trays offer plenty of options for tool organization. One of the top trays has a divider making it ideal for smaller items. The sturdy twin handles interlock keeping the tool box firmly closed and spreading the load evenly when carrying. The lid includes a padlock hole for extra security (padlock available separately). A portable and convenient workshop tool storage solution making it a great toolbox for the DIY enthusiast and professional tradesperson alike.
