

Set of 4 Posts & Bases with Chain (Black/Yellow)

These yellow and black high visibility safety posts and long chain are designed as an effective way to mark out restricted areas.

Additional Information

- 4 plastic posts with self weighted bases.
- 25m x 6mm chain in yellow & black for high visibility.
- Ideal for workshop use to cordon off areas for safety - such as when working on hybrid/EV vehicles. Also perfect for enforcing social distancing.
