

Colour Coded Star Key Set - Ball End 9pc

These L shaped Star* Keys each feature a long shaft with a ball end tip allowing for greater access to difficult and otherwise hard to reach screws, with the design making it ideal for when having to be used off-line without causing any damage to the head of the screw. The set includes sizes T10, T15, T20, T25, T27, T30, T40, T45, T50, which are colour coded allowing for quick and easy identification of size, helping to ensure the correct key is always to hand. They are manufactured from S2 high strength steel, have a chrome finish with coloured powder coating, and are supplied in an easy access plastic holder.
