

Magnetic Cable Tie Holder

A cable tie storage unit, with three neodymium magnets to keep it handy on your toolbox or tool chest. Designed to accept 200 cable ties in three useful sizes – we recommend 100mm, 150mm and 300mm (separate packs available, Connect Part Nos. 30310, 30261 and 30264). Manufactured in the UK from TIG welded ERW steel, finished in Laser blue powder coat.

Additional Information
