

LTR Magnetic Tool Pad

This versatile magnetic tool and parts holder has 83 strong magnets embedded into the 250 x 310mm heavy-duty PVC pad which are strong enough to hold tools and components, keeping them exactly where they are needed - no more tools falling out of reach right when they are needed most. This magnetic pad ensures that whatever ferrous tool or part is placed on it, will stay there, even when used vertically or upside down.

Additional Information

- Heavy-duty magnetic mat, keeps tools & small parts to hand.
- Size: 310 x 250 x 8mm.
- Manufactured from a PVC leather-look material for durability, with a wipe clean surface.
- Features 83 strong magnets sewn into the pad, holds up to 12kg.
- Ideal for bicycle mechanics, automotive technicians, electricians, jewellers, modellers, hobbyists & DIYers.
